

In This Universe

Fly away little bird
hope you don't get hurt
see you later
in some other world
in this universe

Quiet now my child
rest your self a while
drift into
your dreamtime world
in this universe

See the people,
in the town
see that big wheel,
going round
round and round and
round it goes
and where it stops
nobody knows
no one knows

Old man shuffles by
look into his eyes
see the light there
of the world
in this universe

See you later
in some other world
in this
universe
